Please note that all zoning amendments require a public hearing. The Common Council will set the public hearing date that can take place after notice of such hearing is published twice in the *Star-Observer* and the Plan Commission has made recommendation.

Public hearings normally take place before a regular meeting of the Common Council 4 to 5 weeks after the meeting when the initial application was submitted. You and surrounding property owners, as required, will receive a notice of the public hearing in the mail. If the Common Council reacts favorably to this request, the ordinance becomes effective the day after publication.
