## 2019 Vine Street Improvements Project Weekly Project Update

**August 9, 2019**

**The City of Hudson is currently reconstructing Vine Street from 9<sup>th</sup> Street to Wisconsin Street. The duration of the project is May 6, 2019 to the substantial completion date of September 30, 2019. Construction includes pavement and curb removals, sanitary replacement, water main replacement, minor storm sewer, curb replacement, pedestrian ramps, asphalt replacement, median reconfiguration and restoration.**

### **Work Completed for the Week of July 29 and August 5**

A-1 Excavating finished paving the base layer of asphalt and trail abutments were paved. Following paving A-1 began restoration of the boulevards and adjusting structures for final pavement to be installed.

Heggen Street trail was paved and the concrete work was completed.

### **Work Scheduled for the Week of August 12**

A-1 Excavating is planning to install signage early in the week and finish their seeding. Paving is anticipated to occur at the end of the week. Final pavement striping is planned for the week of August 19<sup>th</sup>. After the striping is completed, Vine Street will be opened back up to traffic.

Heggen Street trail will be backfilled with topsoil and seeding will begin. After Seeding, The trail will be fully opened to the public.

### **Traffic Impacts**

Vine Street will be shut down throughout the duration of construction. All access to homes off Vine Street will always be available from 7:00pm to 7:00am. While the crews are working in the roadway there may be some delays. Please refer to the notices that will be delivered or call the City Project Manager for any access questions or concerns.
