RE: Library Activities Update
March 25, 2020

In these uncertain times, I wanted to provide an update on the Library and our service to the community. Library staff are working hard to ensure continued service to the community. On Monday, March 23, 2020, we launched our new Virtual Library Center: <https://hudsonpubliclibrary.org/virtual-library-center/> We encourage everyone to explore our digital collections and services. The Virtual Library Center includes a collection of digital resources and information including:

- Academic Support & Online Learning Resources
- Community Resources
- Digital Collections
- Genealogy & Local History Resources
- Legal Resources
- Mental Health Support Resources
- Online Experiences: Tour, Play, & Experiences

In addition to the amazing virtual resources, the Library has created its own YouTube Channel:

The Library is hosting virtual story-times, on our YouTube channel, at our regularly scheduled times:

Tuesdays: 10:15 AM

Wednesday: 10:15 & 11:15 AM

Thursday: 6:00 PM (PJ Story-time)

In addition, staff will be holding a variety of virtual programming, including STEAM programs, Craft programs, book clubs, and more! Please follow us on Facebook or check our website for updates. Currently, we are answering phone calls from 10:00 AM – 6:00 PM (Monday – Friday). A virtual chat option is coming soon to our website, as well.

Thank you all for doing your part!

Warmest Regards,
